JOIN THE WAITLIST

Save your spot.

Here's how to join our waitlist. It only takes a few minutes, and you can do it all online.

HOW TO JOIN

1. **Start your application**
   Go to estellebirmingham.com and click "Apply."

2. **Pick the closest match**
   Select an available apartment with a floor plan closest to what you're looking for. Leave the listed move in date as it is, even if it doesn't match your plans.

3. **Apply and get approved**
   You and any co-applicants will need to complete the application and pay the application fees and admin fee. Once everything is approved, we'll remove your application from that apartment and place you on the waitlist.

Using a guarantor?

Only one guarantor is allowed per apartment. Your guarantor must show income of 5 times the rental rate and upload their income verification.

How the waitlist works

Our residents give 60 days' notice before moving out, so we typically learn about upcoming availability within that window. When we receive a notice that lines up with your timeframe, we check the waitlist first and contact applicants in order.

A spot on the waitlist doesn't guarantee a specific floor plan. Late spring and summer are our busiest months, and availability can be limited. Our three bedroom apartments are especially limited, so we only accept up to 8 applicants on that waitlist. If nothing opens up in your preferred timeframe, we may offer you an apartment with an earlier move in date.
